

ZDHC Africa Stakeholder Engagement Day

21 September 2022

ZDHC Africa Stakeholder Engagement Day

21 September 2022

We are happy to announce that the Implementation HUB in cooperation with the United Nations Industrial Development Organization (UNIDO) will host its first online Africa Event, on 21 September 2022.

Key stakeholders of the African Textile, Leather and Footwear Industry are invited to this exciting event, which expands our work and collaborations in Africa. The aim is to introduce ZDHC, our experience in Ethiopia and to present case studies from SwitchMed programme in relation to ZDHC Implementation.

Stay tuned for the agenda and the online registration to open.
For questions, contact us directly at info@implementation-hub.org.

Looking forward to engaging with you in September!
